VILLA LAS PALMERAS

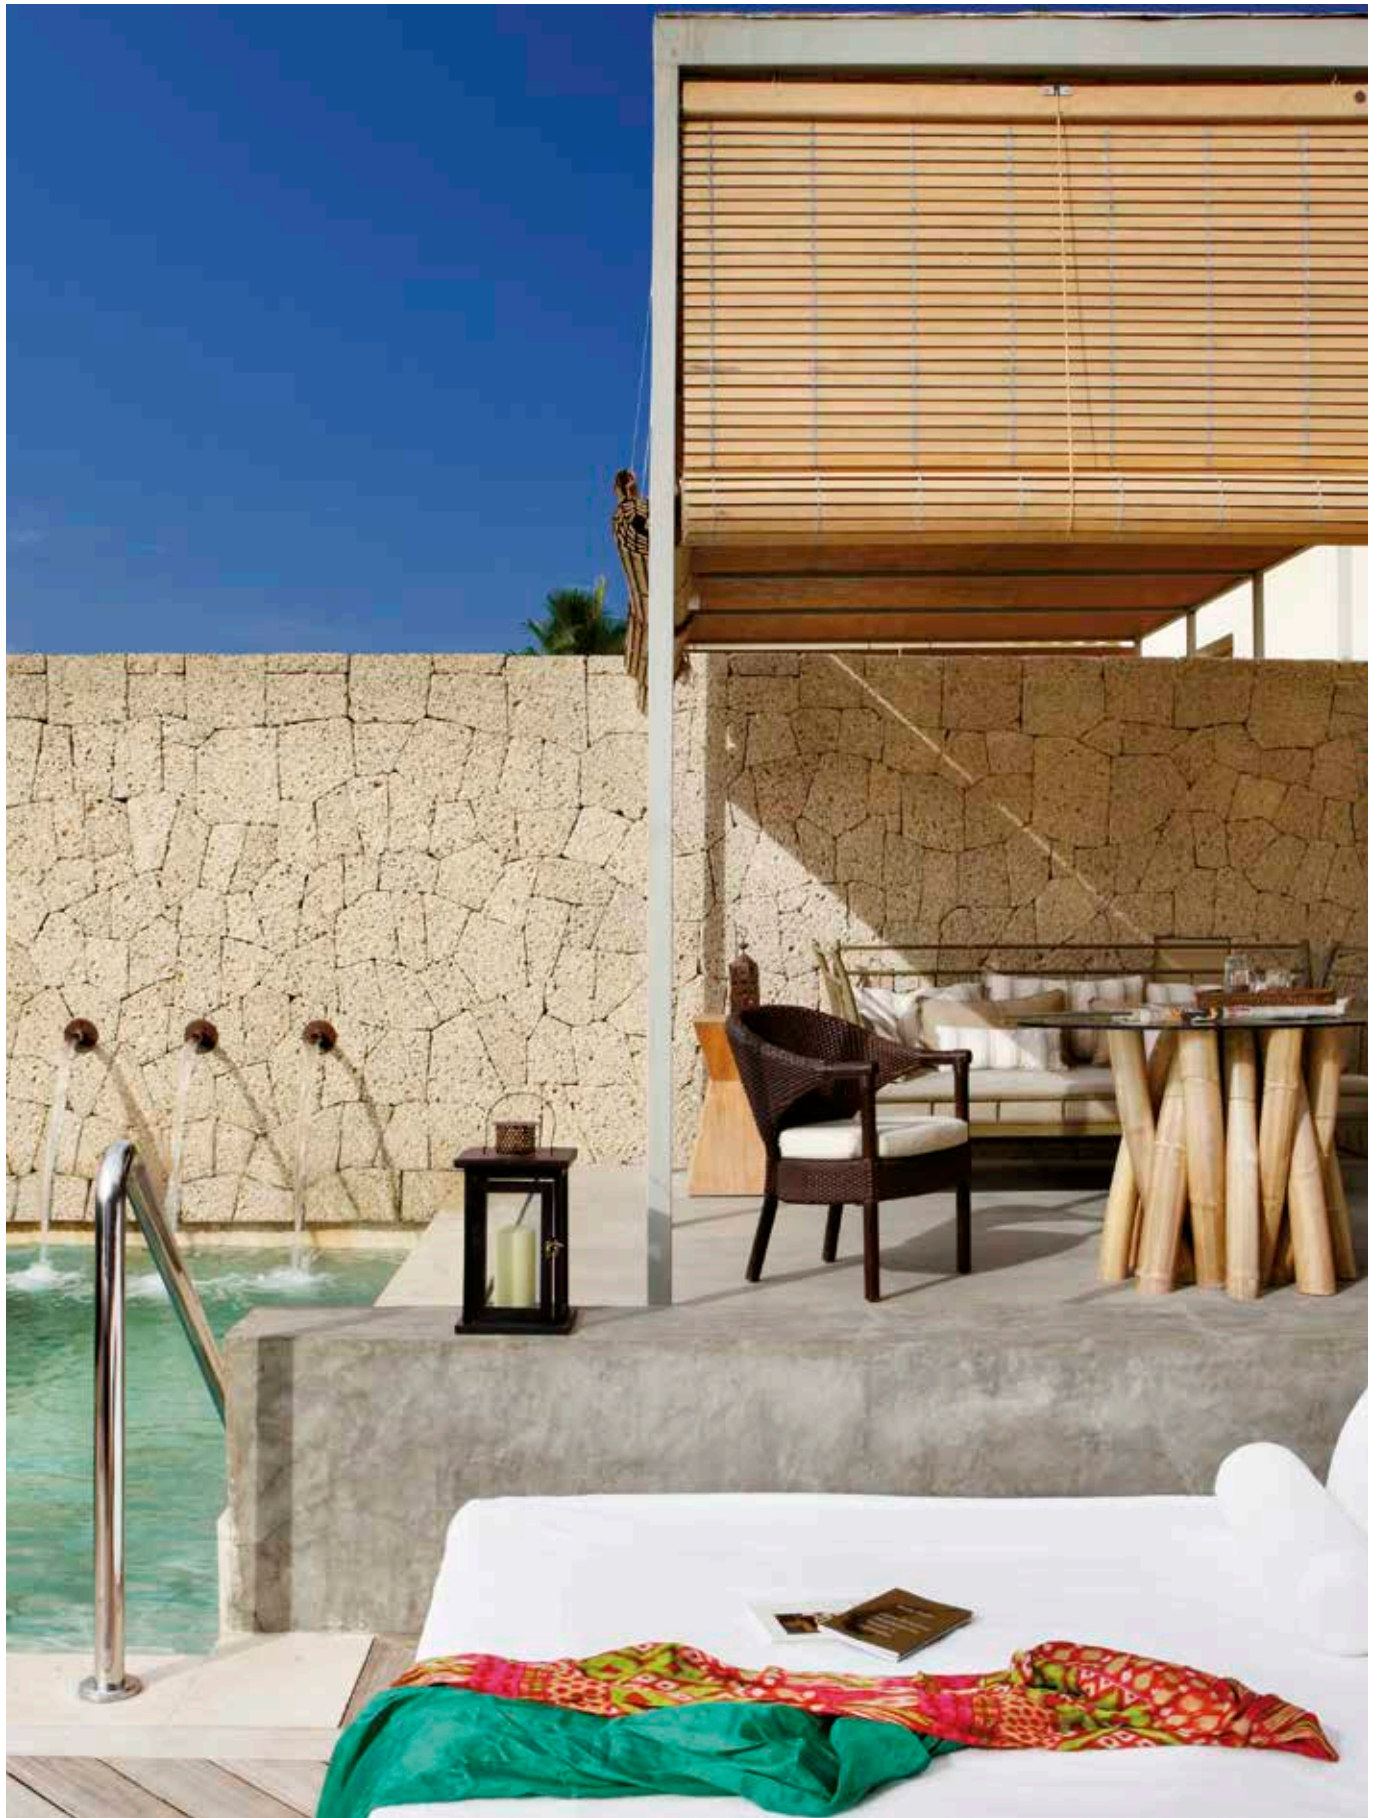

Your private paradise awaits. . . .

The Villas Las Palmeras are characterized by its pergola surrounded by gardens which access a residence which offers three defined areas; living room, bedroom and terrace. It features furniture designed exclusively by the renowned interior designer Pascua Ortega, which along with other decorative elements, create an atmosphere of warmth and relaxation.

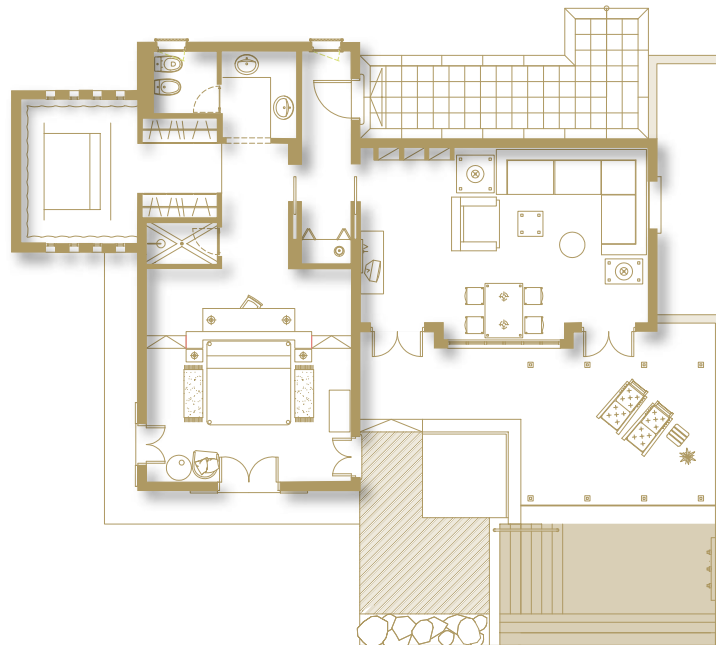

The bedroom, distributed in two levels, and with stunning views of the ocean, holds an exceptional canopy bed with a bamboo hipped roof, and dressed in Egyptian cotton sheets.

The large bathroom includes a huge basalt stone bath finished with a natural light skylight, aromatherapy bath menu and Aqua di Parma amenities.

The exterior of the Villa offers a solarium and dining area, as well as a heated infinity pool and a great private terrace.
