

# INHIBIT FACE-LIFT

The exclusive beauty secret  
of celebrities

This innovative Natura Bissé treatment has been chosen by Hollywood stars as a beauty ritual to shine in the latest edition of the Oscars.

**Protocol:** This advanced lifting is able to completely rejuvenate the face, minimizing wrinkles in a visible way, without the need to use microinjections, thanks to its powerful revitalizing action and its powerful filling effect.

**Objectives:** Smoothing the most marked lines and a noticeably brighter skin, with a smoother texture and a more uniform tone.
