

CORPORATE Responsibility POLICY

BAHIA DEL DUQUE
THE TAIS

Bahía del Duque is considered an icon in the tourist sector for creating a new concept of luxury hotel in the Canary Islands. Its inauguration in 1993 marked a turning point in the history of tourism, becoming a model of success and playing a significant role in the subsequent tourist development on the island.

Corporate Responsibility calls for a change of attitudes and behaviours based on good governance and environmental, sustainability and social parameters. Bahía del Duque has developed a Corporate Responsibility policy, which is aligned with the Sustainable Development Goals (SDG), according to the following guidelines:

• ETHICAL BEHAVIOUR

They are our basic guidelines, based on the company's vision, mission and values.

• TRANSPARENCY AND GOOD GOVERNANCE

They are fundamental guidelines in order to maintain and enhance reputation with our stakeholders.

• BEHAVIOUR TOWARDS EMPLOYEES

It is essential that the team is highly motivated, sensitive and aware of the importance of their work, because they are a key group and a priority for the development of the business itself, and an essential factor in its growth and progress.

• EXCELLENCE AND QUALITY

We are committed to working with quality and excellence to exceed the expectations of our guests.

• RELATIONSHIP WITH SUPPLIERS

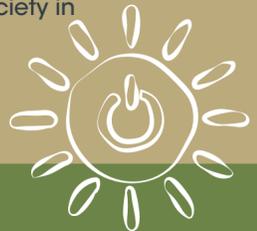

We encourage a climate of cooperation and mutual trust, promoting transparency and communication with suppliers, in order to reach the objectives set regarding quality.

• ENVIRONMENT AND CLIMATE CHANGE

We promote the respect and protection of the environment, making rational use of natural resources, reducing fuel consumption, electric energy and water as well as reducing the amount of waste by facilitating recycling.

• CONTRIBUTION TOWARDS TO THE COMMUNITY

We take responsibility to contribute to a sustainable human development, through the company's commitment with the community and society in general.
