## **BAHÍA DEL DUQUE IS AWARDED BY CONDÉ NAST JOHANSENS AS THE BEST SPA DESTINATION 2023**

**This new award positions Bahía Wellness Retreat among the best spas in the world  
and acknowledges its unique holistic wellness approach**

**Wednesday, 9 November 2022.**-Bahía del Duque has been awarded the *Conde Nast Johansens Awards for Excellence* as the Best Spa Destination 2023. The organisation of these international awards has chosen Bahía Wellness Retreat, the wellness centre of the hotel of The Tais Hotels & Villas for the quality and exclusivity of the space, inspired by the natural climate and landscape of Tenerife, offering the clients a unique holistic experience.

This new award positions Bahía del Duque and Bahía Wellness Retreat among the best *wellness* experiences in the world and acknowledges its unique holistic wellness approach. The recognition was announced in the context of the World Travel Market on 7 November during Condé Nast Johansens 40<sup>th</sup> Anniversary and its traditional 2023 Excellence Awards Gala at the Kimpton Fitzroy London.

According to the General Director of Bahía del Duque, Cristina de Juan, "to achieve this recognition as the Best Destination Spa at the prestigious *Condé Nast Johansens Awards For Excellence* is an important incentive for the entire Bahía del Duque family, as it places us among the best wellness experiences worldwide. These awards inspire us to continue with our commitment to keep the excellence of our treatments and in our facilities."

Bahía Wellness Retreat invites with its concept of a "Wellness *Universe*" to discover relaxing and renewing 360° experiences. Its rituals, treatments and personalised programmes have been developed by an expert team of therapists, trainers and physiotherapists in a wellness area that combines the relaxing power of seawater, the sun energy and the volcanic rocks.

Bahía Wellness Retreat offers an outdoor thalassotherapy circuit, starting in its relaxing Vitality Pool with a two-metre waterfall, hydromassage jets, bubble beds and the therapeutic benefits of seawater taken directly from the Atlantic Ocean. This area is complemented by a *hammam*, saunas, Scottish showers, a cold water pool and an outdoor solarium with shaded relaxation areas.

Located in the heart of the hotel and surrounded by gardens and vegetation, it features treatment cabins outdoors, two private *suites*, a Kinesis, Pilates and Yoga hall, a fitness centre, a physiotherapy area, a Face-Coach service, a beauty salon and a Thai Room Spa to experience the soothing properties of traditional Asian therapies.

BAHIA DEL DUQUE

THE TAIS

The hotel's wellness consultants are always at the forefront of beauty and wellness programmes and techniques and have designed a 360° Immersions plan with exclusive body and facial treatments, focused on different areas with the aim of achieving a balance between body and mind.

Condé Nast Johansens has been the leading reference guide for independent travellers for 40 years. The Condé Nast Johansens Awards for Excellence recognise and recommend hotels all over the world which are inspected yearly to ensure the standards of quality demanded by the guide and its readers.

### **About The Tais Hotels & Villas**

The hotel Bahía del Duque has already 29 years of history. All this time, it has been voted by many experts as one of the best hotels in Europe. The hotel has remained true to its original values: service excellence, customer care and attention to detail.

Las Villas, and later Bahía Wellness Retreat, assumed a new commitment to offer a very tailored luxury and a new approach to wellness-related services.

Both establishments operate under the brand "The Tais Hotels & Villas" comprised of an exclusive collection of extraordinary hotels, each one with its own personality and commitment to excellence.

They are located on an extensive 100,000-m<sup>2</sup> estate. Their architectural uniqueness makes them an international icon in the world of luxury and hospitality. They are also a benchmark for sustainability thanks to their 63,000-m<sup>2</sup> of tropical and subtropical vegetation. These facilities have developed their own bioclimate in this place, with all kinds of palm trees, dragon trees, Indian laurels, *Ficus Canariensis*, flamboyant trees, jacarandas, fruit trees, cactus and several European plants.
